

How to Register Your Personal Ministry Leader Profile

Add Your Personal Leader Login Account

Every ministry leader who will be responsible for adding or editing ministry profiles or submitting and reviewing ministry events to the church calendar will need to establish a individual user account for the Centralized Ministry Planning Center.

- A. Visit the church’s online ministry directory portal: <http://mpc.historicebenezer.org/>
- B. Find the blue “Register” link at the “login” box.
- C. Click the “Register” box. The account type should be set to Individual and the leader’s display name, first name, last name, mobile phone, ministry email, and passwords should be set.
- D. You will receive a successful account registration message. Be sure to let your ministry leader know to add you to the appropriate ministry roles.
- E. Using the  icon, return to the login page and fill in your ministry e-mail address and your newly created password; then, click “login”.
- F. Once you are logged in, you will be able to view all ministry profiles and events that you have been assigned. You can access these records by clicking on the  “three-wheel” icon in the upper right-hand corner. This will allow you to see a list of the profiles you have created, are listed as the editor, ministry leader, or council leader or the events that you have created, listed as the ministry or council leader, or specified as the event planning contact person.

Retrieving or Updating Your Leader Profile

If you are accessing the ministry planner and cannot remember your profile, click on the Forgot Password? option to receive an email of your password.

Your Ministry Roles

With the leader account created, you and your other ministry leaders or persons responsible for managing our online activity will have the ability to assign responsibilities as listed. On your profile page , you will see those role assignments as they are assigned to you.
